### LAB-NIOM

## Program Evaluation Document

## I. Program Overview

Date Application Submitted:		
Hospital/Institution:		
Laboratory/Department Name:		
Address:		
City:	State:	Zip:
Name/Title Person Completing This Form:		
Phone:		E-mail Address:
Medical Director:		
Phone:		E-mail Address:
Technical Director of NIOM services:		
Phone:		E-mail Address:
Administrator/Title:		
Phone:		E-mail Address:
Name/Title of Contact Person for LAB-NION	Л:	
Phone:		E-mail Address:
II. Provide a brief history of the NIOM	service at this	hospital.
Phone:  Medical Director:  Phone:  Technical Director of NIOM services:  Phone:  Administrator/Title:  Phone:  Name/Title of Contact Person for LAB-NIOM  Phone:		E-mail Address:  E-mail Address:  E-mail Address:  E-mail Address:

## III. Hospital Information

A. Number of beds			
B. Joint Commission certified	١	Yes	No
(For no responses, provide explanation)			
C. Type of Hospital:	١	Yes	No
Academic			
Private Tertiary Care			
Community			
Veterans			
Other:			
D. Surgical Subspecialties:	١	Yes	No
Neuro			
Ortho			
Vascular			
ENT			
Cardiothoriacic			
Other:			

### IV. Medical Director

A.	Name:			
B.	Is the Medical Director full time?	Yes	No	
	If not, what other responsibilities does the Medical Director have?			
C.	Is the Medical Director an interpreting physician?	Yes	No	
	If not, discuss why this person does not interpret NIOM studies.			
D.	What percentage of time does the Medical Director give to leadership, direction,		%	
	and monitoring of the program? If "0" provide an explanation.	hrs/week		
E.	Does the Medical Director have an unrestricted license to practice medicine in the	Yes	No	
	state? If not, give explanation			
F.	Does the Medical Director have privileges in the hospital?	Yes	No	
	If not, give explanation.			
G.	How long has the Medical Director been in the current position?	Years	Months	
H.	How long has the Medical Director been in the NIOM field?	Years	Months	
I.	Provide a brief description of the responsibilities of the Medical Director.			

Complete CV form for Medical Director presented in Appendix 1.

### V. Interpreting Physicians

A. List all the physicians involved with interpreting NIOM data (include Medical Director if he/she interprets NIOM data).

Name(s) (add lines if necessary)	Degree/s	Interpret NIOM at other hospitals		Hrs/week devoted to NIOM	Years of experience in NIOM	Employee or contracted worker	Number of cases monitored in last year at applicant hospital	Hospital privileges	3	Unrestrice medical I in the sta	icense
		Yes	No					Yes	No	Yes	No
		Yes	No					Yes	No	Yes	No
		Yes	No					Yes	No	Yes	No
		Yes	No					Yes	No	Yes	No

B. Complete a CV form in Appendix 2 for each interpreting physician.

C.	How are the qualifications of interpreting physicians established and monitored?		
D.	Are the interpreting physicians involved with the continuing education of technologists? If not, explain why not.	Yes	No
E.	How is the interpreting physician contacted in case of emergency?		
F.	Is there interpreting physician coverage for emergency cases after hours?	Yes	No
G.	Is there interpreting physician coverage for cases that continue beyond usual business hours?	Yes	No

## IV. Technical Director

A.	Name:			
B.	Is the Technical Director full time?	Yes	No	
	If not, what other responsibilities does the Technical Director have?			
C.	Is the Technical Director an NIOM technologist?	Yes	No	
	If not, discuss why.			
D.	What percentage of time does the Technical Director give to leadership of the	%		
	program?	hrs/week		
E.	How long has the Technical Director been in the current position?	Years	Months	
F.	How long has the Technical Director been in the NIOM field?	Years	Months	
G.	Provide a brief description of the responsibilities of the Technical Director.			

H. Complete CV form for Technical Director and label as Appendix 3.

### VII. Technologists

A. List only technologists that are fully trained in NIOM (include Technical Director if he/she performs NIOM).

Name(s) (add lines if necessary)	Degree/ Credential	Perform NIOM at other hospitals		Hrs/week devoted to NIOM	Years of experience in NIOM	Number of cases monitored in last year	Employee or contracted worker
		Yes	No				
		Yes	No				
		Yes	No				
		Yes	No				

B. Complete a CV form in Appendix 4 for each technologist.

C.	Who decides which technologists will cover which case and how is this decision made?		
D.	How are the qualifications of technologists established and monitored?		
E.	Do technologists get continuing education?	Yes	No
	If so, how many hours or activities per year and where are they typically obtained? If not, how is continuing education ensured?		
F.	Discuss the process of ensuring adequate breaks for technologists in long cases.		
G.	If a surgical case continues longer than expected, how is it handled?		
Н.	Is emergency NIOM available? If so, how is it staffed?	Yes	No

## VIII. Other Monitoring Personnel

		_							
A. Other than interpreting physicians and technologists are there other personnel Yes N involved in NIOM?									
	involved in NIOM?								
В.	List those	e individuals wh	no qualify	y as "oth	ner monitoring	personnel".		<u> </u>	
Name(s) lines if n	(add ecessary)	Degree(s)/ Credential (s)	Perform at other hospital		Hrs/week devoted to NIOM	Years of experience in NIOM	Employee or contracted worker	Number of cas monitored in last year	
			Yes	No					
			Yes	No □					
			Yes	No					
			Yes	No					
C.						onitoring person			
E. How are the qualifications of other monitoring personnel established and monitored?									
									1
F.	Do the o	ther monitoring	personn	el get c	ontinuing edu	cation?	Y	'es l	No
	If so, how	_	r activitie	es per y	ear and where	e are they typica	lly		
G.		pervises these i			adon onouro	• •			

### IX. Administrator

A.	Name:				
В.	Is the Administrator full time with the NIOM service?	Yes	No		
	If not, what other responsibilities does the Administrator have?				
C	C. What percentage of time does the Administrator give to leadership and				
	monitoring of the program? If "0" provide an explanation.	hrs/week			
D.	How long has the Administrator been in the current position?	Years	Months		
E.	Is there financial support from the hospital for the NIOM program and its staff?	Yes	No		
	If support is available, describe. If no support is available, discuss why not.				
F.	Provide a brief description of the responsibilities of the Administrator.				

G. Provide a letter of support from the hospital administration detailing the support of the clinical program and education of its personnel. Label this letter as Appendix 6.

Χ.	Facility	
----	----------	--

,	1 donney										
P	A. Describe the NIOM laboratory space.										
E	B. Indicate if the following resources are available in the NIOM laboratory or hospital.										
							Yes	No			
		for the Medical D									
		ce for interpreting	<del> </del>	?							
		for the Technical									
	•	ce for the techno									
		for the Administra									
		ccess to relevan		ournals?							
		available to all s									
		es for making sli	des, present	tations, etc.?							
		oort available?									
	ere a confere										
is the	ere a break ro	oom for staff?					Ц	Ш			
_											
F	or each "No"	answer, provide	explanation	۱.							
,	C. Indicate th	ne following infor	mation abou	ıt NOM oqui	amont used	in nationt care (	add rowe if pe	200000#4)			
					Jillenii useu		auu rows ii rie	ecessary).			
No.	Type of equipment	Manufacturer	Number of channels	Modalities monitored	Date of purchase (month/ year)	BME Maintenance Schedule	Date of last BME inspection	Remote access			
1											
2											
3											
4											
5											
	D. Describe	how patient reco	rds are store	ed.							
L											

#### XI. Case Load

A. Indicate if the modalities listed below are performed. If they are, complete the information about each modality.

Modality	Performed		Stimulating montage	Recording montage	Filter settings	No. of responses	Criteria for raising alert
	Yes	No				averaged	
SEP Upper							
SEP Lower							
MEP						XXXXXXXXX	
BAEP							
EEG			XXXXXXXXXXX			XXXXXXXXX	
Nerve to nerve							
Facial nerve EMG						XXXXXXXXX	
Limb EMG						XXXXXXXXX	
Corticography						XXXXXXXXX	
Other (specify)							

If additional explanation is needed, provide it here.	

- B. If cranial nerve monitoring (other than BAEP) is performed, describe which nerves are monitored, number of procedures performed in the last year, and how the monitoring is performed.
- C. If brain mapping is performed, describe the technique used and number of procedures performed in the last year.
- D. If movement disorder surgery is performed, describe it here. Include number of procedures performed as well as technique and interpretation criteria.

# E. Indicate if the following types of surgery are performed.

Type of surgery	NIOM Performed		Number monitored in last year
	Yes	No	
Vertebral column surgery			
Spinal cord surgery			
Spinal dysraphism surgery			
Selective dorsal rhizotomy			
DREZ and other pain procedures			
CPA surgery (tumor/MVD)			
Brainstem surgery			
Cerebrovascular surgery - open			
Cerebrovascular surgery - endovascular			
Epilepsy surgery			
Functional Cortical Localization			
Other cerebral hemisphere surgery			
Carotid artery surgery			
Aortic surgery - open			
Aortic surgery - endovascular			
Cardiac surgery			
Peripheral nerve and plexus surgery			
Movement disorder surgery			
ENT surgery			
Cerebral/spinal endovascular surgery			
Other			

### XII. Interpretation

A. Are all NIOM cases interpreted by a physician interpreter? If not, provide explanation.
B. When does the interpreting physician interpret a NIOM case?
C. How does the interpreting physician review the NIOM data?
D. If an alert is noted, how is it communicated to the surgeon?
E. How many NIOM cases can the physician interpreter be involved with simultaneously? What happens if more than this number of cases is on-going simultaneously?
F. Are all local Medicare rules and regulations regarding NIOM interpretations followed? If no, provide explanation.

### XIII. Documentation

A. Discuss the process by which NIOM reports are created and posted on the patient's chart.
B. How quickly are reports made available on the patient's chart?
C. Are the number of hours of physician and technologist involvement in the NIOM case noted on the reports? If not, provide an explanation.
D. What information is kept in the NIOM case event log?

### XIV. Education and Scholarship

- A. What types of educational activities are available within the department for staff? If an NDT or NIOM conference is held, provide a list of topics for the one last year in Appendix 7.
  B. How do physician interpreters get continuing medical education?
  C. How do technologists (and other monitoring staff) get continuing education credits? Is funding available for technologists (and other monitoring staff) get continuing education credits? Is funding available for technologists (and other monitoring staff) to obtain continuing education?
  D. When a new NIOM technique is instituted how are staff trained?
- E. When new NIOM equipment is purchased how is the relevant training provided and documented?

### XV. Trainee Technologists

A. Are trainees present in the department? If so, complete the following (add rows if necessary):

Name	Degree(s)/ Credential(s)	Date training started	Expected date of completion	Number of cases at time of application

B. In the last three years, have any technologists completed training? If so, complete the following:

Name	Degree(s)/ Credential(s)	Date training started	Date training completed	Number of cases completed	Board examination taken/passed	Current employment status

C. In the last three years, have any trainees not completed training? If so, complete the following:

Name	Degree(s)/ Credential(s)	Date training started	Date left program	Number of cases completed before leaving	Reason for leaving training program

D.	What are the prerequisites for entering training?
E.	How long is the training?
F.	Describe the role of trainee in the operating room.
G.	Are trainees involved with setup and break down of the case?
H.	Who supervises trainees in the operating room?
l.	What criteria are used to determine if the trainee has successfully completed training?
J.	Describe formal course work, if any, used to teach trainees.

#### XVI. Policies and Procedures

A.	Does the NIOM service have a Policy and Procedures Manual? If no, provide explanation.
B.	How often is the Policies and Procedures Manual reviewed and updated?
C.	Is there a current quality improvement project? If so, describe a quality improvement project completed in the last three years that resulted in improved patient care.
D.	When a new NIOM technique is instituted how are staff trained?
E.	When new NIOM equipment is purchased how is the relevant training provided and documented?

F. Provide a copy of the table of contents of the Policies and Procedures Manual in Appendix 8.

#### Do not include the entire manual.

- G. In Appendix 9 provide copies of the following policies:
  - a. Staffing policies
  - b. Interpretation policy (include information on who interprets, when they interpret, and on report generation)
  - c. Infection control
  - d. Electrical safety
  - e. Quality improvement
  - f. Continuing education requirement for staff
  - g. Training for new equipment
  - h. Training for new types of surgeries/types of monitoring
  - i. Emergency coverage
  - j. Policy on record retention

## XVII. Plans for Program Development and Improvement

- A. Discuss short and long term plans on improving the NIOM service.
- B. Discuss anticipated changes in management, personnel, equipment, and facility in the next three years.
